

LOADED STANDARD EQUIPMENT PACKAGE
Packed with standard features, the Challenger™ Series offers the versatility to take on a wide range of tasks and off-road trails with the durability to get more done season after season – all backed by the strength of Cub Cadet's Dealer Network.

STRENGTH TO RIDE HARDER, LONGER
Fully engineered, reinforced frame, adjustable 4-wheel suspension with oversized hardware, and high-strength steering components combine for lasting durability when traversing tough terrain.

POLISHED ALLOY WHEELS AND HEAVY-DUTY BEARINGS
Dual-row wheel bearings with large profile 20" off-road tires for improved handling, durability and style.
